

Education & Wellness programs

Early Childcare Volunteers

Description

Early Childcare volunteers will have the opportunity to take an active role in the care and development of children while their parents are on-site and attending a class or workshop. The Childcare volunteer will work closely with the Puentes team - including the Program Director, program coordinators, and fellow volunteers to enhance their understanding of the social determinants of health impacting the Latino community in South Philadelphia. Volunteers will also gain a more comprehensive understanding of non-profit organization operations and receive valuable mentorship.

Eligibility & Requirements

Volunteer positions are available to highly accomplished and responsible college students or recent graduates. Beginner to intermediate knowledge of Spanish is required. Must submit a background check and child abuse history clearance once accepted and prior to beginning. Must commit to the class schedule for at least one full semester. **Application:** Internship positions are limited and competitive, so please apply early. Applicants must submit a copy of a CV or resume and a statement of interest to each program email address below. To read more about each program please select program links below or visit our website.
